## 2. Login Page

The screenshot shows a web browser window with two tabs labeled 'TicketBookingApp'. The address bar shows 'localhost:4200/login'. The page title is 'Ticket Booking System'. In the top right corner, there are two links: 'Login' (highlighted in blue) and 'Register'. The main content area features a light blue gradient background with a white login form in the center. The form has a title 'Login', a 'Username' field with the placeholder 'Enter username', a 'Password' field with the placeholder 'Enter password', and a 'Login' button at the bottom. A small blue icon is visible in the bottom right corner of the page.

## 3. User Search tickets

The screenshot shows a web browser window with the page title 'Ticket Booking System'. In the top right corner, there is a green link 'Welcome, vardhan' and a red link 'Logout'. The main content area features a light blue gradient background with a white search form in the center. The form has a title 'Search Tickets' and four input fields: 'Source' (containing 'hyderabad'), 'Destination' (containing 'chennai'), 'Departure Date' (containing 'dd-mm-yyyy' and a calendar icon), and 'Max Price' (empty). A blue 'Search' button is located at the bottom of the form.
